

NO-COST, HIGH VALUE SOLUTION

AI-POWERED OTA FEE RECOVERY

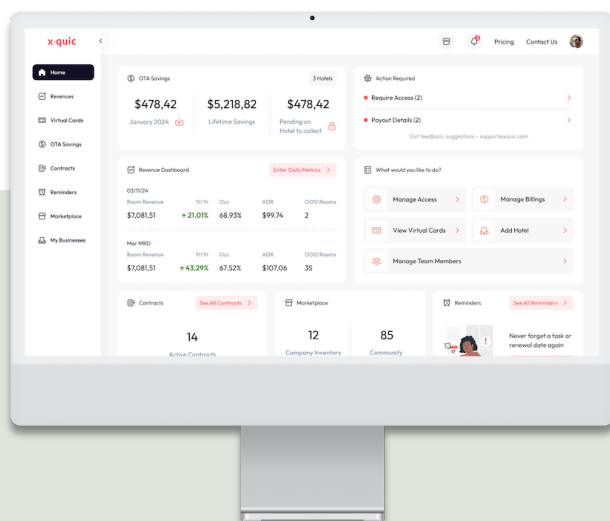

Recapture Overcharges By the OTAs

More than 97% of hotels (including yours!) are overpaying OTAs for commissions & virtual cards.

HOW OUR PROGRAM HELPS

We use AI-powered software to accurately reconcile both OTA commissions and virtual credit card charges, helping you recover funds you've overpaid.

- Typically save your staff 100+ hours of manual work annually
- ZERO out-of-pocket expenses: no upfront costs, subscriptions fees, or management fees
- Our fee: we simply take a percentage of the savings we recover for you

Typical Results

A 100-room roadside hotel with 30% OTA business can see **\$10K per year** in recovered funds (net, after our share).

A 300-room city hotel with 30% OTA volume can recover **\$100K/year** (net).
